

The SCOOP!

WHAT'S ON AT THE FARM?

Churchfields Maize Maze is now open!

Set in over 6 acres of maize and adjacent to our Barn car park, the Churchfields Maize Maze is split into two mazes: Our Ice Cream Maze, which is perfect for the under 5's and is pushchair friendly (with a 4 wheeler and bit of a push) and our much larger Cow Maze. This maze is huge! We estimate it will take 60-90 minutes to complete and due to uneven terrain will be slightly more difficult to navigate with wheelchairs & buggies.

Burgers, hotdogs and snacks are available to purchase outside the maze entrance. We also have a well stocked selection of cold drinks, crisps and our Ice Cream (of course)!

Churchfields Maize Maze is open from 10am to 5:30pm Monday to Saturday and 10am to 4:30pm Sunday. No need to book!

CHURCHFIELDS DAIRY - Introducing Salted Butter!

Our Salted Butter is produced here on the farm in our micro-dairy using Droitwich Salt. All of the ingredients used in our butter are local to the area.

Churchfields Salted Butter is hand made in small batches and is available to purchase in our Café in 200gm packages.

We've also ventured into salt production using Droitwich Brine. This is unique to the local area and is a practice that has not been done in over 100 years. We even sell our salt to a local fudge producer!

JOIN US & GET CRAFTY THIS SUMMER!

MILK. IT'S NOT JUST FOR COWS

Drinking milk (or eating dairy products like Ice Cream) is a great way to get your essential vitamins and nutrients. Dairy is loaded with Calcium, Magnesium and Protein.

Adequate consumption of milk and dairy from early childhood and throughout life can help to make the bones strong and protect them against diseases like osteoporosis in later life.

Churchfields milk is produced here on the farm and is available to purchase from our Vintage Milk Float. Recyclable milk bottles can be purchased from our Café so you can enjoy fresh milk 24 hours a day!

Churchfields Summer Activities

Tuesday 25th July:

10-12 Jumping Clay

Thursday 27th July:
