

# Churchfields

Farm • Food • Fun

Welcome to Churchfields, an historic Worcestershire farm surrounded by open countryside in this delightful part of The Heart of England. It is situated in the village of Salwarpe on the edge of Droitwich Spa.

The farm has been in our family for five generations now, with three generations currently living onsite. Will & Gillian run the day to day operations, along with their children Edward, Louisa and Jennifer, who all get involved in different ways. Granny Fizz is also an active member of the farm, keeping everyone in check.

## Churchfields Beef

All of the beef available at Churchfields is home reared & grass fed.

Our cattle graze along the river Salwarpe and not only does our Beef taste great, it's giving our local wildlife a helping hand too.

Full of flavour, our beef has almost zero food miles, is Red Tractor Assured and sustainable; bringing you beef, from field to fork!

Churchfields Farm is also the home of Droitwich Salt, the **only** brine spring salt made in the UK. This heritage salt was famous in Roman times, but production stopped almost 100 years ago. In autumn 2017, we proudly partnered with Wychavon, our local council, gaining exclusive rights to make this historic product.

Today we harvest Droitwich Salt by hand at SALSA accredited Churchfields Saltworks. The gentle process of crystallising the natural brine to pure salt uses renewable energy, further adding to our sustainability ethos on the farm.

Our salt is sold in a range of flavours, including our collaboration with the Michelin Starred Carters of Moseley. Winning numerous awards our salt is available in over 100 stockists across the UK. Stockists include Harvey Nichols, local stores and not forgetting our own café of course!
